WORK EXPERIENCE

CLIENT SUCCESS MANAGER

Third Sun Productions   Jul 2019 - Present

As Client Success Manager at Third Sun Productions, I offer an insightful approach to help clients elevate their operations through project management, client interaction, and software integration.

- Content creation and strategy
- Training and ongoing support for clients
- Extensive knowledge of Joomla! and relevant plug-ins
- Work with graphic designer to ensure the success of the project

PROGRAM MANAGER

Volunteers of America   Jan 2018 - July 2019

Developed a training program for youth experiencing homelessness. Created an accessible, safe program that builds upon itself to enable individuals of varying abilities and backgrounds to learn most effectively for the individual.

OPERATIONS MANAGER

Native Flower Company   Jan 2017 - July 2018

Managed day-to-day operations, supervising a staff of 12 employees and oversight of all areas including manufacturing, production, supply chain, procurement, distribution, inventory, and compliance.

EDUCATION HISTORY

Bootcamp Certification - Full Stack Developer   2021 -2022

University of Utah

BA in English   2010-2016

University of Utah
